WHAT A SHOWCASE TABLE SPACE IS: As an added service, Showcase table displays are provided to a limited number of activist organizations whose work is relevant to the mission of the ETO Conference and who we wish to especially highlight and promote. Tables are placed in the main banquet hall - where all plenary events and most meals occur each of the 3 days (including the conference opening and closing events) for organizations to display information on their work in the world. Over the course of the conference these tables are regularly referred to during plenary events and all-conference gatherings. Participants are encouraged to connect with representatives to learn more about their work, and to possibly support or become involved in it. At closing participants are also referred to these organizations to consider next steps beyond the conference.

HOW AN ORGANIZATION QUALIFIES FOR THIS SPECIAL TABLE SPACE: Showcase Table space is provided **complimentary** to organizations whose work is **relevant to the mission of the conference, and** who are represented at the table by at least **two full-cost registered representatives**.

(i.e. 2 full-cost registered representatives = a free ½ table space in this designated area).

Organizations would register and pay for their 2 or more representatives and request a space.

* To reserve your space please **verify identities of at least 2 full-cost registered representatives here:**
