

ADVERTISEMENT ORDER FORM FOR ON-SITE CONFERENCE PROGRAM

2nd Annual International Conference on "Religion, Conflict, and Peace"

June 11-13, 2010 ~ Michigan

www.cbiworld.org

We invite you to place an advertisement in the 2010 on-site program and support this effort at the same time. Funds generated by ads are used for our subsidy fund to bring students, low-income activists, and key representatives to the conference who otherwise could not attend.

All conference participants receive copies of the program to share with organizations, agencies, and groups in their communities. In addition to a large network of organizations internationally that cooperate with the RCP Conference, the program is distributed to relevant organizations, associations, universities, peace studies programs, NGOs, and government offices, and is displayed at various international and national professional conferences. A list of advertisers is also posted on our web site. Order of listing is determined by size of ad, and web links are included if desired.

Organizations or individuals can place ads in the program. Ads can include information about the organization and endorsements of the conference or encouraging statements to conference participants.
